OTHER BUSINESS BEFORE THE BOARD (FOR DISCUSSION ONLY)

The Board discussed the rule put into place by the Pharmacy Board on compounding drugs. This rule is affecting the way the Veterinarians keep lifesaving drugs on the shelf in their offices. There are very few pharmacies that can get the compounded drugs to the Veterinarians in a timely manner in which the drugs are needed. Dr. Whaley will draft a letter to be sent to the Board of Pharmacy. Ms. Wagner will put this topic on the agenda in June.

The Board asked Ms. Kelly and Ms. Wagner to ask Mr. Dave Dryden, Executive Director of the Pharmacy Board, to attend either June or August meetings.
